True Dreams, LLC, is a non-profit, minority and female-owned organization, consisting of accomplished business owners who joined forces to accomplish a common goal – help individuals pursue business and innovative ideas with the potential to advance personal and economic growth. Our vision is to provide support to individuals willing to work hard and help rebuild communities.

The response to our vision has been overwhelming! Our inaugural True Dreams Showcase® in Columbia, SC, was phenomenal, and we selected four outstanding individuals to receive dream funding. With your help, we can do so much more.

We invite you to share in this vision through your support and welcome the opportunity to discuss the True Dreams Showcase® corporate partnership. Please feel free to contact me with any questions, and I will follow up with you in a few days....
