Dear Friend,

The True Dreams Showcase® is making dreams come true....and we hope you will join us as a vendor for the Atlanta event!

Remember when your business was just an idea? Maybe you participated in a True Dreams Showcase® or other event and are now living your dream. We would love for you to inspire our event's dream seekers. You are proof that dreams do come true!

As a True Dreams Showcase® vendor, you will—

- expand your business vision
- share your business model
- increase your business visibility
- encourage and mentor future business owners
- network with other vendors and corporate partners

The second True Dreams Showcase® is heading to Atlanta, GA, on September 6-7, 2013, at the Cobb Galleria Centre. We anticipate thousands of dream seekers hoping to give voice to their business ideas.

True Dreams, LLC, is a non-profit, minority and female-owned organization, consisting of accomplished business owners who joined forces to accomplish a common goal – help individuals pursue business and innovative ideas with the potential to advance personal and economic growth. Our vision is to provide support to individuals willing to work hard and help rebuild communities.

The response to our vision has been overwhelming! Our inaugural True Dreams Showcase® in Columbia, SC, was phenomenal, and we selected four outstanding individuals to receive dream funding.

We invite you to share in this vision by participating as a vendor during our upcoming event. Please return the attached vendor registration form and feel free to contact me with any questions.

Best Regards,

SHARON HOLMES, FOUNDER/CEO
